### Raffi's Place

Raffi's Place is a unique dinning persian and middle esters cuisine with a nice indoor and outdoor setting. It is located in Glendale, a few blocks away for Americana at Brand. The owner of Raffi's Place is Rafik Bakijanian and his wife Gohar. When they first started this business, they started form a small place and then later they created a menu combing fresh ingredients and superb flavor combinations. This place has become a landmark in Glendale. They take reservations for parties and other special occasions. They have gift cards purchased for any amount. They don't have delivery service at this time but they do take orders over the phone or online for pick-ups.
