History of Raffi's Place

In December of 1993, under the ownership of Rafik Bakijanian. Raffi's Place opened as one of many small businesses surrounding a quaint courtyard. Inspired by their love of real home cooking, Rafik and his wife Gohar created a menu combining fresh ingredients and superb flavor combinations. Over the past 21 years, Raffi's Place has gradually expanded its space, first occupying the entire courtyard to recently adding a large indoor dining room and banquet hall.
