Transform and Transition “Haiku”

For this exercise we were suppose to create a haiku by usign transfomr and transition.
For this exercise I used mostly transition to make the words ease in and ease out.

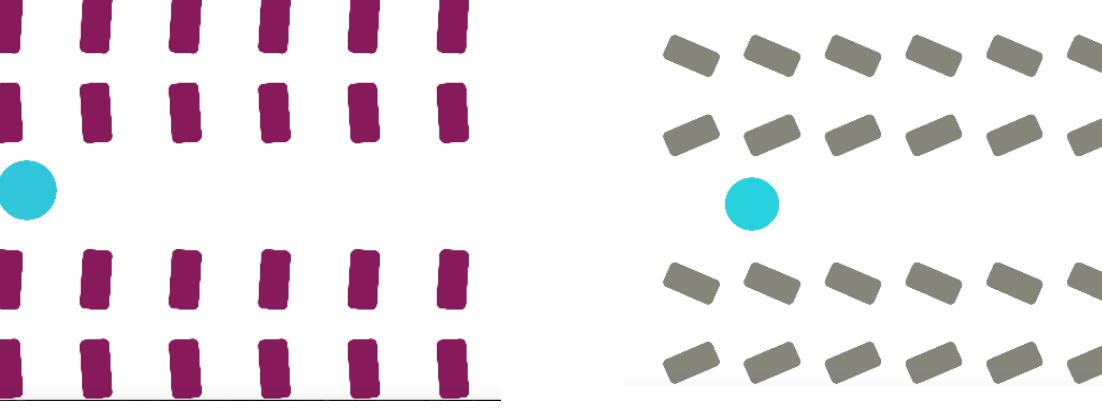

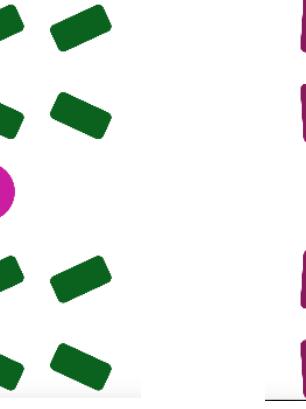

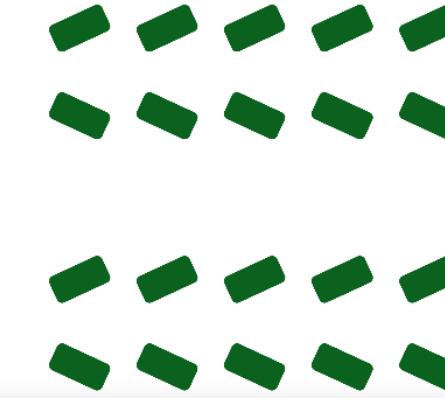

> Exercise 1

Animation “Pattern”

For this project we were suppose to create an animated pattern by usign transfomr and transition and animation.

> Exercise 2

responsive Design “bootcamp”

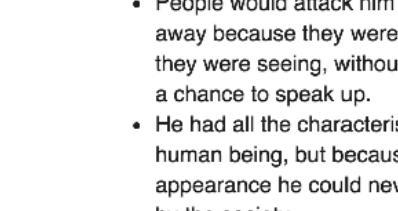

“create a responsive web ”

this exercise we were suppose to create a responsive web page by usign bootcamp.
this exerse I used one of my previous design from last semester and tuned it into a
onsive page for mobile, ipad and desktop.

Exercise 3

<p>To conclude...</p> <p>the creature was a product of a scientific experiment , who had a torturous and solitude life because his creator, Victor Frankenstein. He had all the characteristics of a normal human being, but because of his appearance he could never be accepted by the society.</p> <p>Because of Victor Frankenstein's selfishness, he ruined his brother's life, people who were close to him. He accomplished his goal as a scientist, but as a normal person he failed miserably. He brought the dead back to life by his own choice, but he never tried to help and guide him.</p>	<p>The Frankenstein book is now available in the bookstore.</p> <p>Price: \$4.00 Now on sale \$3.60</p> <hr/> <p>test update from ryan.</p>

Dr. Frankenstein

- first associated with the term "monster" is due to the society before he even gets to know his true nature. The monster's life is a tragic one, filled with suffering and pain. He is born as a result of Victor Frankenstein's scientific experiment, which had a torturous and tragic outcome. The monster is rejected by society because they are horrified of him. They do not give him a chance to speak up, not because he is not a normal human being, but because of his deformities and the way he is treated by the society.

With Lightroom, your photography goes where you go. Organize, edit, and share your photos from anywhere — on your computer, on the web, on your iPad and on your iPhone or Android devices. It's all your

Starbucks banner ad “Starbucks Frappuccino” Blended beverages”

> Project 2

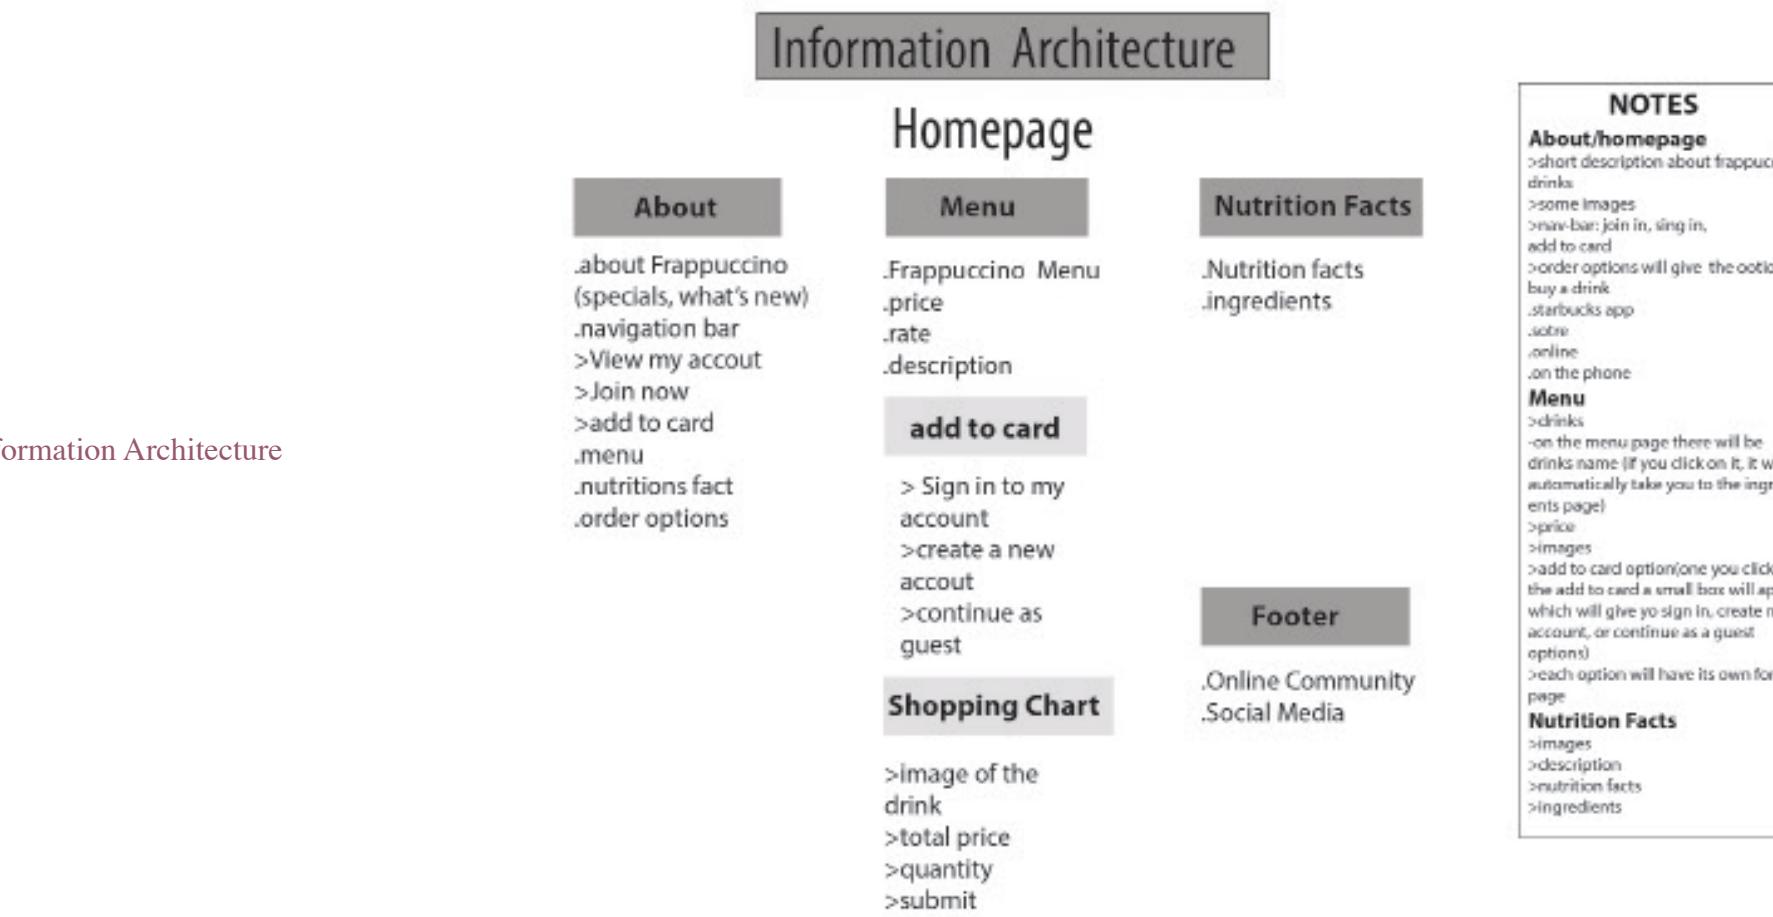

For this project we were suppose to create an animated banner add. I chose for starbucks frappuccino blended beverages. By using anumation transform, and trnition I created a cup of coffee by using typography. The words drop and stack on top of eachother to create a frappuccino cup.

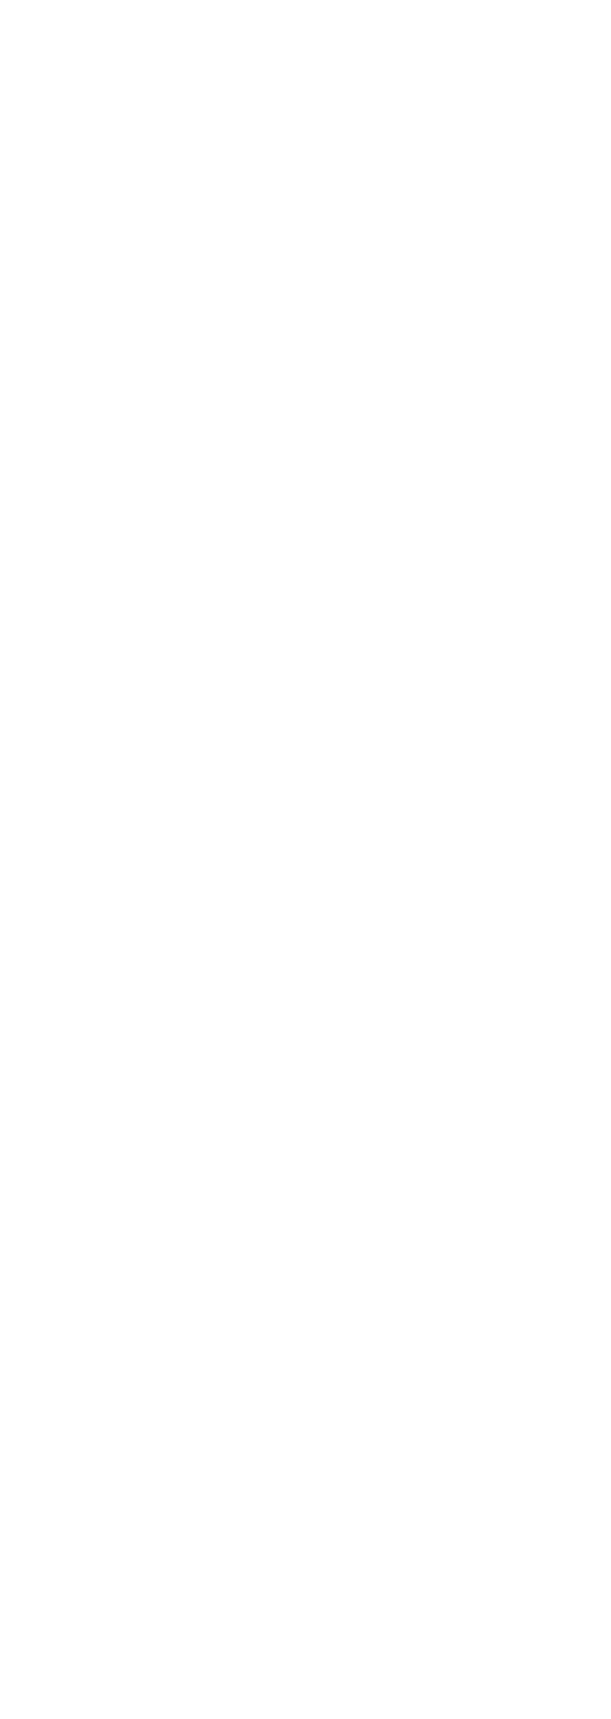

Starbucks Responsive MicroWeb “Starbucks Frappuccino” Blended beverages”

>Project 3

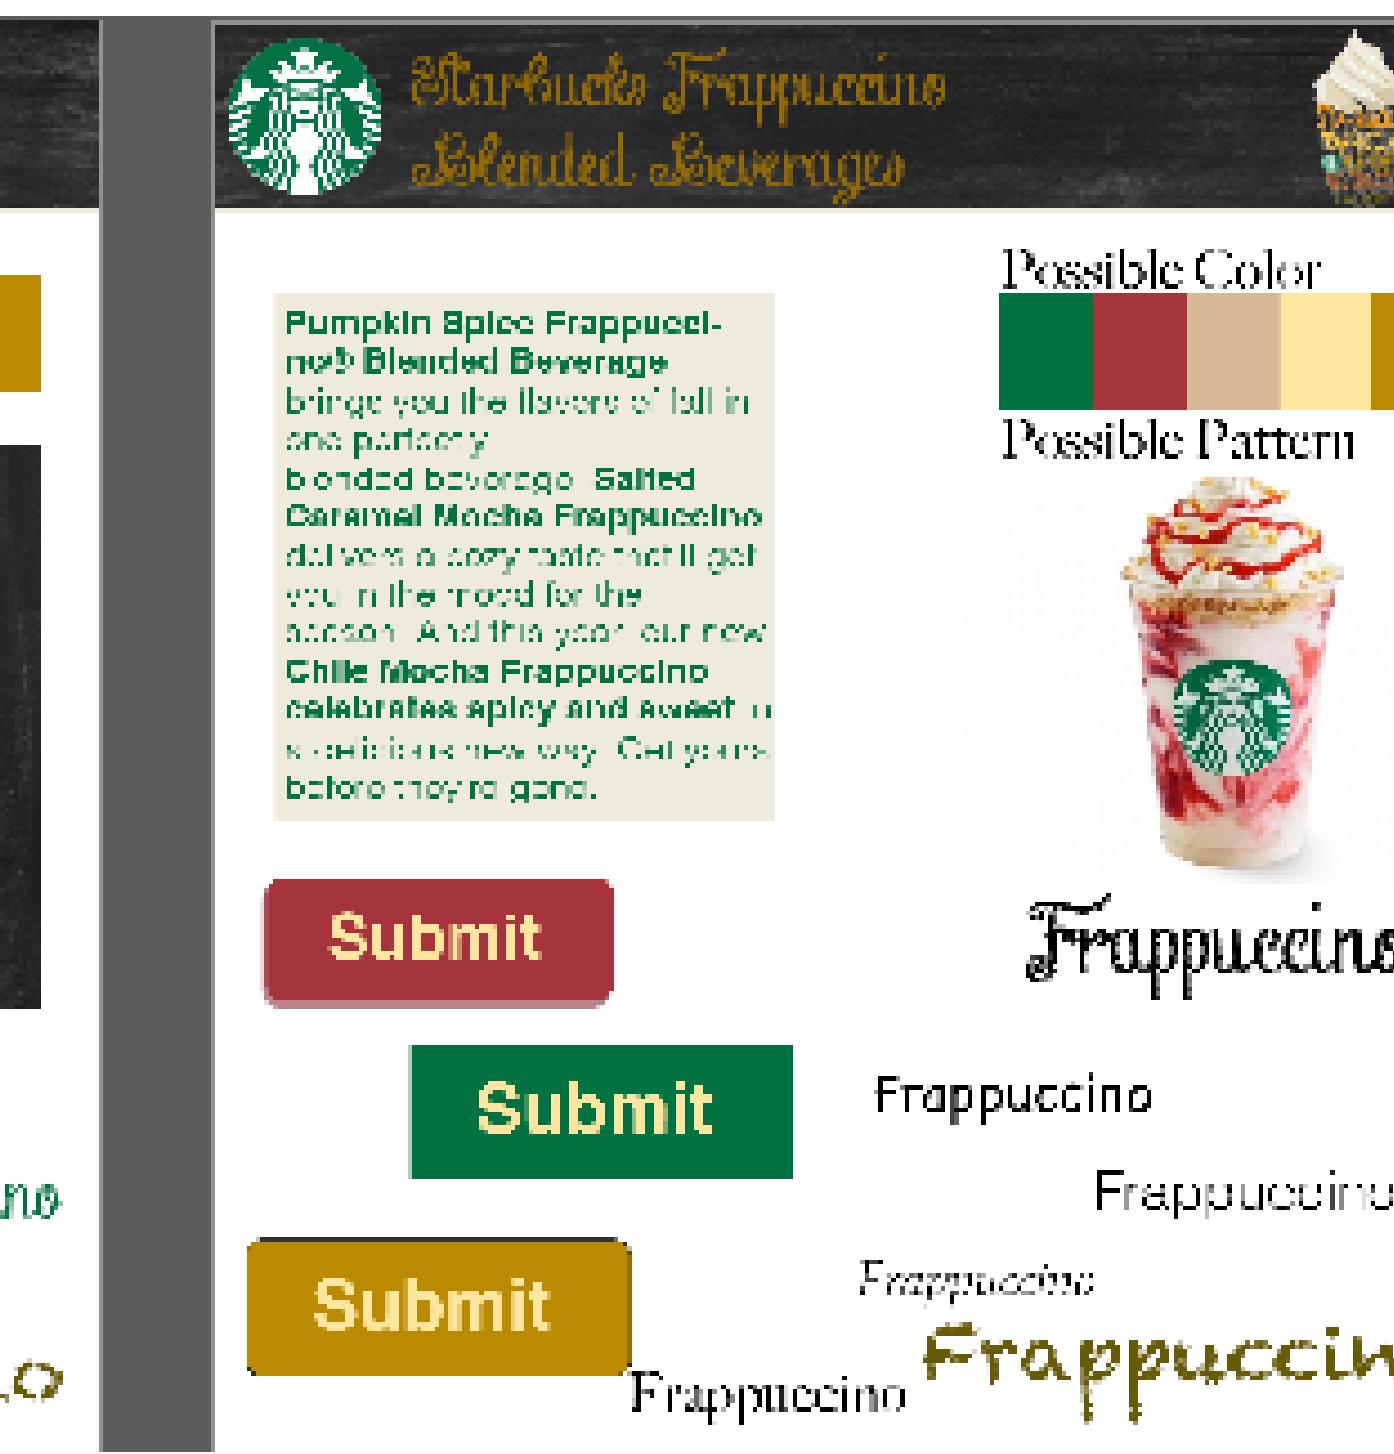

For this project we were suppose to create a microweb for our banner add from project two. First we created an information architecute, then we created a wireframe. For this project I have a home page, frappuccino menu, nutrition facts page, and sign in/ join us form.

Home Page(web page)

The Starbucks Home Page features a dark background with a subtle autumn leaf pattern. At the top, there's a navigation bar with links for "Drink Menu", "Show My Bag", "Find a Store", "Join Us", and "Sign In". A large, stylized Starbucks logo is positioned on the left. The central focus is a "Starbucks Frappuccino Blended Beverages" section, which includes a picture of a Frappuccino topped with whipped cream and a cherry, along with text about the "Pumpkin Spice Frappuccino® Blended Beverage". Below this, there's a "Salted Caramel Mocha Frappuccino" section. The bottom of the page features social media icons for Facebook, Twitter, Pinterest, Instagram, and Google+, and a copyright notice: "© 2016 Starbucks Corporation. All rights reserved."

Form(web page)

The Sign In form is overlaid on the Starbucks Home Page. It features a large "Starbucks" logo at the top right. Below it, the text "Sign In to Your Account" is displayed. The form contains four input fields: "Name", "Last Name", "E-mail", and "Password", each with a corresponding text input box. At the bottom of the form is a "Create new account" link.
